RESPONSE

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

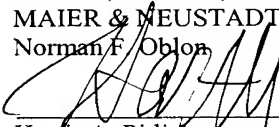

SIR:

Responsive to the Office Action dated September 10, 2008 (corrected Office Action), Applicants respond as follows.

The corrected Office Action is substantively identical to the Office Action dated April 17, 2008 (original Office Action), except that, as noted in n. 1 at page 7 of the amendment filed September 11, 2008 (the amendment) in response to the original Office Action, WO 01/90818 (Morren et al) was incorrectly cited as WO 01/908818 therein and not made of record. The corrected Office Action now corrects this error and omission. However, the amendment is fully responsive to the corrected Office Action. In addition, said n. 1 is fully responsive to the Interview Summary attached to the corrected Office Action. Accordingly, Applicants intend that the amendment be responsive to the corrected Office Action (especially since its filing date is after the date of the corrected Office Action), or if not appropriate, the amendment be incorporated by reference herein.

Respectfully submitted,
